

Program

SUNDAY MAY 16

12.00 – 16.40	Pre-congress course Surgical elements in managing cervical carcinoma Chairman: <i>Pál Siklós</i>
12.10 – 12.30	Surgical elements of hysterectomy and salpingo-oophorectomy <i>Peter Bősze</i>
12.30 – 13.00	Surgical elements of pelvic and paraaortic lymphadenectomy <i>Attila Artner</i>
13.00 – 13.30	Surgical elements of parametrectomy <i>László Pálfalvi</i>
13.30 – 14.00	Surgical elements of pelvic wall clearance <i>László Ungár</i>
14.00 – 14.30	Surgical elements of bowel surgery <i>László Pálfalvi</i>
14.30 – 15.00	Coffee
15.00 – 15.30	Surgical elements of pelvic exenteration <i>László Ungár</i>
15.30 – 16.20	Elements of laparoscopic surgery <i>János Bálega</i>
16.20 – 16.40	Elements of LETZ and conisation <i>Alberto Lopes</i>

17.00 – 18.30	Opening Ceremony Chairman: <i>Peter Bősze, László Pálfalvi, László Ungár</i>
	Welcome by <i>Sándor Eckhardt</i> Former president of UICC
	Welcome by <i>László Pálfalvi</i> President of the Hungarian Society of Gynaecological Oncology
	The aim of the European guidelines in gynecologic oncology <i>László Ungár</i>
	The mission of the European Academy of Gynaecological Oncology <i>Peter Bősze</i>
	History of radical hysterectomy <i>Polat Dursun</i>

The future of radical hysterectomy
Murat Gultekin

Music (Pálma Hidekúti, András Pallerdi)

19.00 – 21.00 Welcome Reception

MONDAY MAY 17

8.30 – 10.20	Current status of molecular markers in cervical carcinoma Chairman: <i>János Rigó</i>
8.40 – 9.10	Overview (I) <i>Ilona Kovalszky</i>
9.10 – 9.40	Overview (II) <i>József Tímár</i>
9.40 – 10.00	HE4 – a new biomarker for management of suspected ovarian cancer/metastasis <i>Magnus Lövenklev</i>
10.00 – 10.20	Discussion
10.20 – 10.50	Coffee/Posters
10.50 – 12.20	Current status of imaging techniques in managing cervical carcinoma Chairman: <i>to be determined</i>
11.00 – 11.30	The role of RTG, CT and MR <i>Gyöngyi Nagy</i>
11.30 – 11.45	The role of ultrasound <i>Attila Artner</i>
11.45 – 12.00	The role of PET-CT <i>Zsolt Lengyel</i>
12.00 – 12.20	Discussion
12.20 – 14.00	Proffered Papers Chairman: <i>Zoltán Langmár</i>
12.25 – 12.40	Microcolpohysteroscopy (MCH) in evaluation of cervical pathology (vidio) <i>Meena N (New Delhi, India)</i>
12.40 – 12.50	Treatment and outcome of stage IA1 squamous cell carcinoma of the uterine cervix <i>Herman Haller H, Krašević M, Mamula O, Rupčić S, Brnčić-Fischer A, Eminović S, Stamatović M, Vrdoljak-Mozetič D, Manestar M. (Rijeka, Croatia)</i>
12.50 – 13.00	Microinvasive cervical carcinoma – early stromal invasion <i>Kovacic S, Sinkovec J (Ljubljana, Slovenia)</i>
13.00 – 13.10	Reconisation or repeated HPV test? What should we do if the histology of the primary conisation requires reconisation?

	<i>Koiss R, Babarczy E, Jenei Cs, Göcze P, Horányi D, Siklós P</i> (Budapest, Hungary)
13.10 – 13.20	CD34 biomarker expression in women with cervical cancer <i>Ancuta E, Codrina Ancuta C, Zugun-Eloae F, Carasevici E.</i> (Iasi, Romania)
13.20 – 13.30	TCD45 lymphocytes as prognostic factor in squamous invasive cervical carcinoma: an immunohistochemical study <i>Ancuta E, Ancuta C, Zugun-Eloae F, Carasevici E.</i> (Iasi, Romania)
13.30 – 14.00	Discussion

14.00 – 15.00 Lunch/Posters

15.00 – 16.20	Current status of radiation and drug therapy Chairman: <i>Enis Ozyar</i>
15.05 – 15.35	Overview on radiation <i>Susan Davidson</i>
15.35 – 15.55	Overview on drug therapy <i>Jan B. Vermorken</i>
15.55 – 16.20	Discussion

16.20 – 17.50	Management of cervical carcinoma Stage IA Chairman: <i>András Szánthó</i>
16.30 – 17.00	Overview <i>János Bálega</i>
17.00 – 17.15	Comments <i>Santiago Dexeus</i>
17.15 – 17.30	Comments <i>Robert Póka</i>
17.30 – 17.50	Discussion

TUESDAY MAY 18

8.30 – 10.00	Management of cervical carcinoma Stage IB Chairman: <i>János Bálega</i>
8.40 – 9.10	Overview <i>Santiago Dexeus</i>
9.10 – 9.25	Comments <i>Susan Davidson</i>
9.25 – 9.40	Comments <i>László Ungár</i>
9.40 – 10.00	Discussion

10.00 – 10.30 Coffee/Posters

10.30 – 11.55	Proffered Papers Chairman: <i>to be determined</i>
10.35 – 10.45	Radical hysterectomy - an over treatment for low volume disease <i>Samy Boraie A, Fagan P, Alexander-Sefre F</i> (Glasgow, Scotland)
10.45 – 10.55	Radical surgical treatment with nerve-sparing technique in early cervical cancer – stage IA-IIA: our and foreign experience <i>Ivanov S, Tsonev A, Abbud A</i> (Varna, Bulgaria)
10.55 – 11.05	Anterior exenteration in stage IVA cervical cancer and recurrent genital cancer – urinary diversion <i>Slavchev B</i> (Sofia, Bulgaria)
11.05 – 11.15	Radiation sparing management of locally advanced cervical cancer <i>Meena N, Sayasha V, Rupinder S, Sudhir R</i> (New Delhi, India)
11.15 – 11.25	Neoadjuvant laparoscopic resection of lymph nodes in stage IIA–IIIB cervical cancer patients <i>Kobal B, Petrič P, Cvjetičanin B, Smrkolj Š, Eržen P.</i> (Ljubljana, Slovenia)
11.25 – 11.55	Discussion

12.00 – 13.30	Management of cervical carcinoma Stage II Chairman: <i>Claes Tropé</i>
12.10 – 12.40	Overview <i>László Pálfalvi</i>
12.40 – 12.55	The view of the radiologist <i>Enis Ozyar</i>
12.55 – 13.10	The British experience <i>Alberto Lopes</i>
13.10 – 13.30	Discussion

13.30 – 15.00 Lunch/Posters

WEDNESDAY MAY 19

8.30 – 10.00	Management of cervical carcinoma Stage III Chairman: <i>Ferenc Paulin</i>
8.40 – 9.10	Overview <i>Enis Ozyar</i>
9.10 – 9.25	The view of the surgeon <i>László Pálfalvi</i>
9.25 – 9.40	The view of the clinical oncologist <i>Jan B. Vermorken</i>
9.40 – 10.00	Discussion

10.00 – 10.30 Coffee/Posters

10.30 – 12.00	Management of cervical carcinoma Stage IV Chairman: <i>Alberto Lopes</i>	12.45–12.55	The evaluation of cervical cancer risk-factors in women referring to Yazd-Iran hospitals since 2002 to 2009 <i>Zarchi MK, Akhavan A, Gholami H, Fallahzadeh MH, Dehghani A</i> (Bishkek, Kyrgyz Republic)
10.40 – 11.10	Overview <i>László Ungár</i>	12.55–13.05	Management of cervical cancer in patients under 35 years in a south east London cancer centre from 2002-2007 <i>Jones R, Von Rege I, Herbert A, Raju S.</i> (London, UK)
11.10 – 11.25	The view of the radiologist <i>Enis Ozyar</i>	13.05–13.15	Small cell carcinoma of the cervix: A case series <i>Graham D, Cadoo K, McCaffrey J, Carney D</i> (Dublin, Ireland)
11.25 – 11.40	The Norwegian view <i>Claes Tropé</i>	13.15–14.00	Discussion
11.40–12.00	Discussion	14.00–15.00	Lunch/Posters
12.10–14.00	Proffered Papers Chairman: <i>to be determined</i>	15.00–16.40	Management of recurrent cervical cancer Chairman: <i>László Ungár</i>
12.15–12.25	A retrospective study to evaluate efficacy of neo-adjuvant chemotherapy (with TIP regime-carboplatin, ifosfamide and paclitaxel) followed by radical hysterectomy for bulky and locally advanced cervical cancer <i>Meena N, Sayasha V, Rupinder S, Sudhir R</i> (New Delhi, India)	15.10–15.50	Overview <i>Claes Tropé</i>
12.25–12.35	Squamous cell carcinoma of the cervix in pregnancy – a therapeutic dilemma <i>Jayaram A, Gaughan E, Darcy T, O'Connell M, Hollywood D, Gleeson N, Kennedy MJ, O'Donnell DM</i> (Dublin, Ireland)	15.50–16.05	Comments <i>Susan Davidson</i>
12.35–12.45	Tolerability and efficacy of the paclitaxel/carboplatin doublet in patients with metastatic cervical cancer-a single institution experience <i>O'Sullivan C, O'Donnell D, Gately K</i> (Dublin, Ireland)	16.05–16.20	Comments <i>János Bálega</i>
		16.20–16.40	Discussion
		16.50–17.20	Closing Ceremony Summary of the guidelines and closing <i>Peter Bősze</i>
		19.00–22.00	EAGC Reception and Dinner

PRESIDENTS OF THE CONGRESS

Peter Bősze, Hungary
László Pálfalvi, Hungary
László Ungár, Hungary

SCIENTIFIC COMMITTEE

Chairman: Péter Bősze
Members: Attila Artner, László Pálfalvi, Miklós Török, János Rigó, Pál Siklós, László Ungár

MEETING SECRETARIAT AND OFFICIAL CONGRESS ORGANIZER

HBL Travel Ltd.
